

# Cub Entrepreneur Badge

## Badge requirements

Do ALL of the following:

1. Explain what an Entrepreneur is.
2. Explain what a business is and how it operates to make money.
3. List what costs a small business will have each month.
4. Explain the difference between cost price and selling price.
5. Identify a product that you are passionate about or your friends may need. For the product you have thought of:
  - Explain what you would call it to appeal to your customers (friends).
  - Describe what resources you would need to make the product.
  - Explain who would want to buy the product and why.
  - Discuss what it will cost you to make the product and what you would charge for the product.
  - Make up a few samples of your product and sell them to your friends.
  - Donate a portion of any profits made to an organisation that helps those in need.
